The Mall Lifestore Bangkokpi

A 31-day look at how ARC performed at The Mall Lifestore Bangkokpi across July 1–31, 2026 — conversation volume, guest satisfaction signal, what guests asked about, and the actions we recommend next.

PREPARED FOR

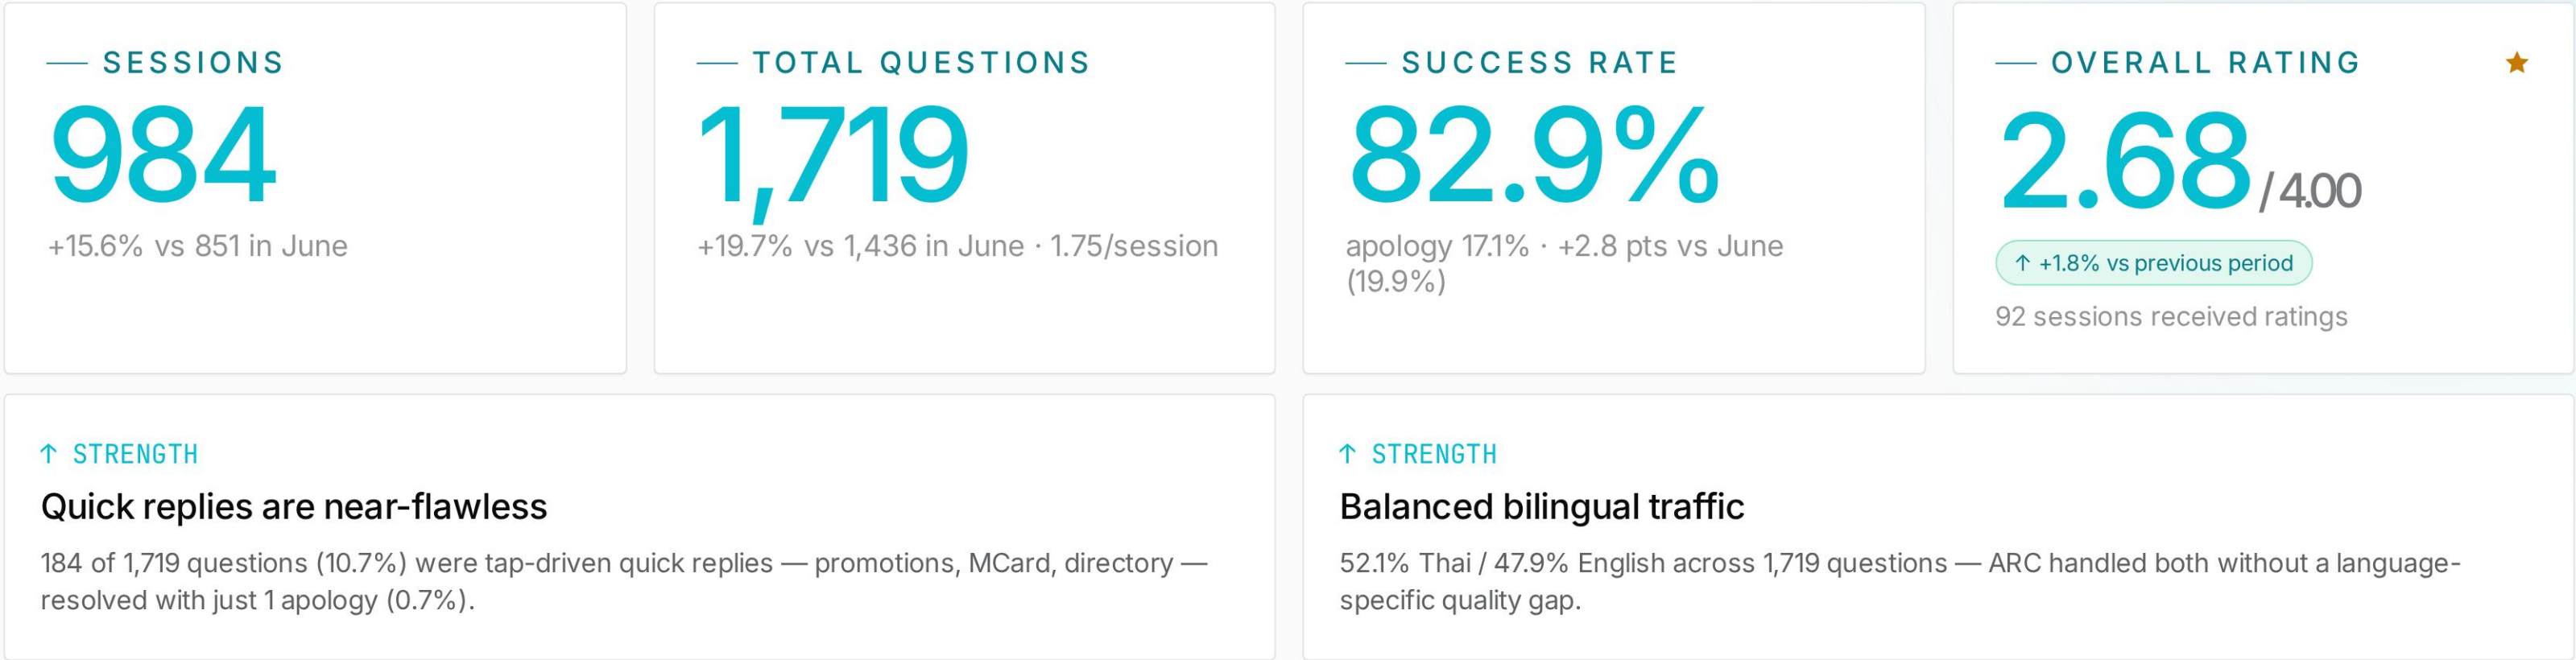

The Mall Group · Bangkokpi Property Ops

PREPARED BY

Amity Robotics CSM · August 31, 2026

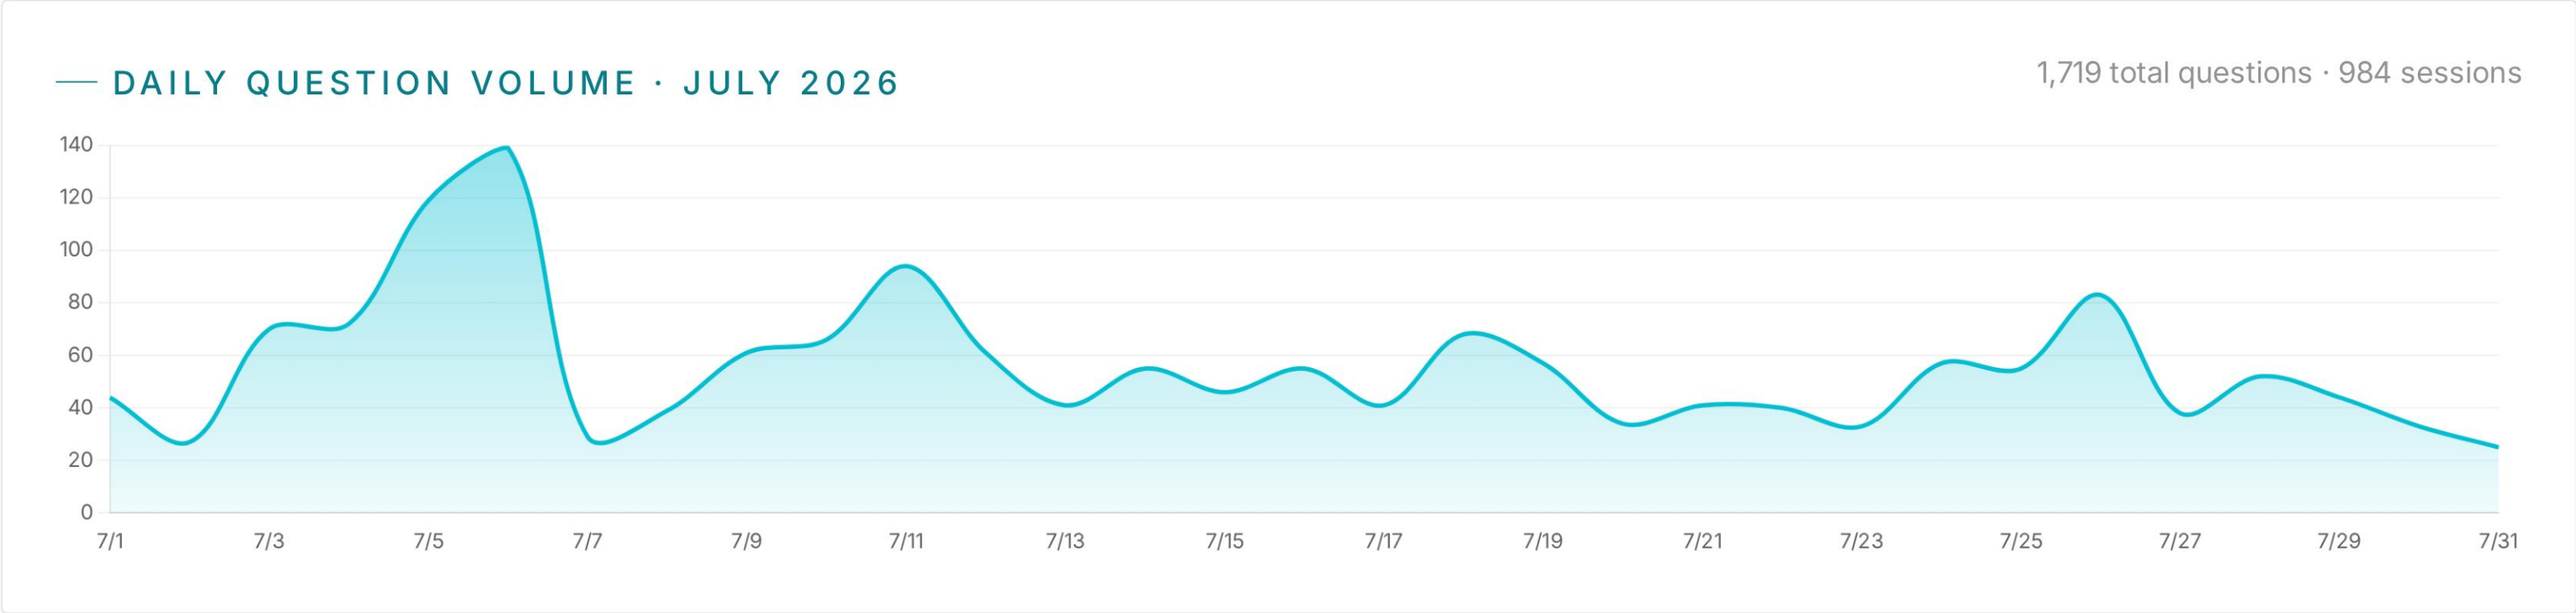

At a glance.

A 31-day snapshot (July 1–31, 2026) across the Bangkapi fleet, built directly from the raw message-log export — not the analytics service.

Conversation volume.

Daily question count across the Bangkapi fleet, July 1–31, 2026.

139

Peak day · Monday, July 6, the busiest day of the month. Cause unclear — no calendar-event data to explain the spike.

55.5

Avg per day · July average across the fleet (1,719 questions / 31 days).

25

Lowest day · Friday, July 31 — end-of-month dip, in line with the quiet-day range.

Kiosk breakdown.

Questions and apology rate per machine, July 1–31.
Physical placement is not in this export — carried over from the June report where the machine ID matches.

MACHINE	QUESTIONS	AVG/DAY	APOLOGY %	NOTES
TheMall-002-M8-BKP-03	743	24.0	14.5%	Busiest unit — 43% of fleet volume. Below fleet-average apology rate.
TheMall-001-M8-BKP-01	397	12.8	16.6%	Near fleet-average on both volume and apology rate.
TheMall-005-M8-BKP-02	262	8.5	23.6%	Highest apology rate of the named units.
TheMall-003-M8-BKP-04	168	5.4	16.4%	Relocated back to Amity Robotics as of July 27 — avg/day understates its effective daily rate.
TheMall-004-M8-BKP-05	40	1.3	17.5%	Relocated back to Amity Robotics as of July 27 — small sample, avg/day understates its effective daily rate.
1,719 Fleet total · 984 sessions across all 7 device IDs, July 1–31. 18.6x Busiest vs quietest named unit · TheMall-002 (24.0/day) vs TheMall-004 (1.3/day). 17.1% Apology rate (fleet) · overall July rate across all machines — 249 of 1,455 logged questions.

- TranscriptionError** — garbled or unintelligible audio the system couldn't transcribe. Such as "the closest", "print", "เสน", "yryruuxeus2".
- Map and Navigation** — wayfinding without a store name, or a location outside the mall. "อยู่ที่ไหน" (where is it?), "What's the 50th Street?", "hello where is Canada", "อยู่ชั้นไหน" (which floor?).
- Out of Scope** — off-topic or personal questions unrelated to the mall. "skip song", "who is lebron james", "How many water molecules are used during photosynthesis?", "Hello, where is Messi?".
- Shop Specific** — asking about a specific brand or store the KM couldn't resolve. Sushi Hiro อยู่ชั้นไหน, เซนโพล่า, ฮวาโร, ร้านเค้กกาโต้.
- Misc** — understandable questions unrelated to mall operations. "Chucky", "What is Minecraft?", "What time is it?", "Katy Perry".
